

## Severn Trent Community Fund Application Questions

Applications **must** be made through the online portal. This document is only available to help you gather the information you'll need to make your application.

*When you're ready to make your application, the portal link is [https://webportalapp.com/sp/home/severn\\_trent](https://webportalapp.com/sp/home/severn_trent). You should refer to our application guidance document (found within the portal and our webpage, [www.stwater.co.uk/communityfund](http://www.stwater.co.uk/communityfund)) throughout to ensure you're providing the necessary information, and creating a strong application.*

---

Firstly, we just want to do a quick check to see if you're eligible to apply for our Community Fund.

All eligibility criteria must be met in order to continue with our application form. If you cannot meet these criteria, we're really sorry but we're unable to help you with funding.

- I am part of a community group or organisation, and not an individual
- Our organisation is not profit making (e.g. limited liability partnership, limited company or sole trader),
- Our project does not promote political or religious causes
- Severn Trent would be the majority funder of the project
- We have not already received funding from the Severn Trent Community Fund for this project
- Our project and its beneficiaries are in the Severn Trent region (check this by using the Water UK postcode checker)
- Our application is for future funding only and not retrospective costs

*To ensure you're eligible we will also check that your project is not to the detriment of Severn Trent or its interests, and that you're not requesting funding for work that is too closely linked to our core services e.g. new connections.*

---

### Great news!

It looks as if you're eligible to apply for our Community Fund and you can now begin your application. You can save your application at any time and come back to it later if you wish.

Just as a reminder before we begin, please ensure you've read our application guidance document as you may find it handy to refer back to.

**When you're ready, please select which category of funding you wish to apply for:**

£2000-10,000

£10,000-75,000

£75,000-250,000

Water bar (*please see end of document for these questions*)

APPLICATIONS ARE ACCEPTED THROUGH THE ONLINE PORTAL ONLY

## Questions for £2-10k, £10-75k and £75-250k applications:

For funding applications of over £10,000 your organisation must be a registered charity, registered company, Local Authority or Parish Council.

**Our Fund is designed to improve the wellbeing of communities in the Severn Trent region. Our key community wellbeing themes are People, Place and Environment, and we will seek to fund projects that demonstrate a strong link to at least one, if not all, of these themes. Please tick which of the following your project relates to. Tick all that apply:**

- People - Projects that facilitate healthier lifestyles and skills development
- Place - Projects that help create better places to live in and use
- Environment - Projects that promote a healthier environment, improve access and the preservation of water

**Tell us about your project, why you have applied for a grant from Severn Trent and how it will improve wellbeing.** (250 word limit for £2-10k applications, 500 word limit for £10-75k applications, 250 word limit for £75-250k applications)

**Since we're a water company, we would love projects to involve water in some way. Whilst this is not essential, it may help your application. This could include things like water butts, river restoration or flood alleviation. If your project has a connection to water, tell us more about it:**  
250 word limit

**What is the location of the project?**

Property number or name

Street

Town

Postcode

If you're unable to give us the exact location, please share as much location detail as possible here:

Is there a second project location?

**What is the proposed projects' start and end date?** For grants under £75,000, project completion must be within 12 months of grant offer. For grants over £75,000, project completion must be within 24 months.

---

**People** (you'll only be asked to answer these questions if you ticked our People theme)

**Approximately how many Severn Trent customers will benefit from your completed project per year?**

**What group of people is your project most targeted at? Tick all that apply:**

Pre school age and under

Primary school age

APPLICATIONS ARE ACCEPTED THROUGH THE ONLINE PORTAL ONLY

Secondary school age

Young adults

Elderly

All

**Tell us how your project will benefit people in your local community and how the community has been engaged in developing the project.**

*500 word limit*

---

**Place** (you'll only be asked to answer these questions if you ticked our Place theme)

**How many new or upgraded community spaces will be created as a result of the project? A community centre, for example, would be 1 space. In most cases, this number is likely to be 1 unless your project is being delivered at multiple locations.**

**What best describes your community space(s)? Tick all that apply:**

School or education centre

Community facility (e.g. community centre, shop, library, village hall)

Outdoor space (e.g. allotment, peace garden, woodland, park)

Health facility (e.g. hospice, health centre)

Other

**Tell us how your new or upgraded community space(s) will benefit the local community.**

*500 word limit*

---

**Environment** (you'll only be asked to answer these questions if you ticked our Environment theme)

**Approximately, how many m2 of environment will be improved or created by the project?**

**What type of environment will your project create, enhance or allow better access to? Tick all that apply:**

Agricultural land

Woodland and scrub

Wetlands

Grassland

Moorland or heathland

Waterbodies or aquatic environment (e.g. rivers, reservoirs, lakes)

Indoor space

Urban environment (e.g. play areas and urban parks)

Other

If other, please specify:

**Tell us how this environmental aspect of your project will enhance local community environment.**

*500 word limit*

APPLICATIONS ARE ACCEPTED THROUGH THE ONLINE PORTAL ONLY

---

**Tell us how your project will be sustained beyond the initial investment. For example, think about how the community space will be maintained, how wages will be paid in the future and how you can ensure the project will still be running in 5 years' time.**

*500 word limit*

**How will you monitor and evaluate your project to measure success and ensure you fulfil your proposed outcomes?**

*500 word limit*

---

## Your Experience, Resources and Project Plan

**Tell us about any similar projects your organisation have managed previously, including number of beneficiaries supported, details of how it was funded, and how you made the project a success.**

*(£10k + applications only)*

**What do you think are the three main risks of your project, and how will you mitigate against them? (*£10k + applications only*)**

**Please give key milestones for your project, and the date you expect these to be complete. Please note your project will be monitored against these milestones. (*3 milestones - £2-10k applications, between 5 and 10 milestones - £10k + applications*)**

---

## Project Costs

**How much will your project cost in total including VAT?**

**How much are you requesting from Severn Trent? Please ensure this falls within the funding range that you have selected and remember we will only be funding projects where we are the majority funder.**

**If there are any other secured funders contributing to your project, please list who they are and how much they are giving you:**

**Upload your completed Excel template 'Breakdown of project costs' here. Please ensure your costs add up to the total project cost as shared above. This template can be found within the links you may need to complete your application.**

*Accepted file formats: pdf, docx, doc, xlx, xlsx, jpg, png, gif, mp4, mov, mp3*

**Applicants applying for over £10,000 must offer 10% financial match funding. We would like to know more about the level of match funding you will contribute to the project.**

**How much financial match funding will you contribute to the project?**

**Is this match funding secured?**

**How many voluntary hours will you contribute to the project?**

We're asking for these details during the Severn Trent Community Fund application process for due diligence and grant giving purposes. Data will be processed under the lawful basis of Public Task. We may also access information about you that is already publicly available.

Further details will be required, only after a grant is offered:

- Details of the bank account to allow funds to be paid;
- Bank statements;

This additional data is required to allow Severn Trent to carry out due diligence checks to ensure the delivery of changes will benefit the community and the correct permissions to carry out any proposed changes are in place.

## Declaration

By ticking this box we confirm that:

1. We have fully read the eligibility criteria and application guidance document before submitting this application.
2. We are duly authorised to submit this application on behalf of the applicant organisation.
3. We certify that the information given in this application is true and confirm that any supporting documents are current, accurate and approved by our organisation.
4. We certify that the relevant and correct policies and procedures are in place for our organisation and project, as advised in the guidance document.
5. We certify we have the relevant and correct insurance policies in place for our organisation and project, or we guarantee to have these in place upon project start date.

We understand that if we make any seriously misleading statements (whether deliberate or accidental) at any stage during the application process, or if we knowingly withhold any information, this could make our application invalid.

## Water bar application questions

Through our Community Fund, we are really excited to support a number of community events in our region with plastic-free temporary water provision (e.g. sporting events, music events). By providing access to our network for the duration of the event, it alleviates the need for water to be consumed in single use plastic.

*Please note that we can only support a limited number of events per year. It will therefore be on a first come first serve basis and any events or regions that we have not yet supported with plastic-free water provision will be prioritised.*

To ensure the Community Fund grant money doesn't come back in to Severn Trent, you'll use one of our approved suppliers for the installation of the water bar at your event. You'll need to obtain your own quote from one of these suppliers for this work (the cost will be included in successful applications). If your application is successful in going to the Community Fund Panel review, we'll get in touch with you to share the supplier contact details as you'll need to get your quote prior to the Panel meeting.

**The water bar must be within 3 metres of a fire hydrant for connection.** *Fire hydrants are found within a metal grid marked FH, in the ground. To help us locate them, there is usually a yellow marker sign with a black H nearby. Please note the yellow markers are not in the exact location of the fire hydrant. Underneath the H there is usually a number and this is how many metres a way the actual fire hydrant is.*

**By ticking this box, you confirm that there is a fire hydrant within 3 metres of the proposed water bar location.**

**Tell us about your event and why you've applied for a grant from Severn Trent to support the reduction of single use plastic?**

*250 word limit*

**What type of event are you hosting? Please tick:** *Please note that we are only able to support events that are suitable for the whole family.*

- Music event / festival
- Sports event / festival
- Community event
- Food festival / event
- Educational events
- Other

If other, please specify:

**How many water bars would you like to apply for at your event?** *For small community events you're able to apply for 1 water bar. For larger events over large distances, such as marathons, you're able to apply for up to 5 water bars.*

**What is the full address of your project location, including X Y co-ordinates of the proposed water bar?** *There must be a fire hydrant within 3 metres of each proposed water bar site.*

APPLICATIONS ARE ACCEPTED THROUGH THE ONLINE PORTAL ONLY

Address  
Town  
County  
Postcode

X Y Co-ordinates of proposed water bars

**What is the proposed event start and end date?**

**In each given day what time will the water bar be open?** *Please be aware that we insist the water bar is constantly manned whilst open.*

**Approximately how many Severn Trent customers will benefit from the water bar at your event?** *This is the number of people, not the number of visits. Please note that events which have less than 1,000 people in attendance will not be eligible to apply for a water bar.*

**What group of people is your event most targeted at? Tick all that apply:**

Pre school age and under  
Primary school age  
Secondary school age  
Young adults  
Elderly  
All

**Tell us how your event will benefit people in your local community, and since the event is temporary, how will you ensure your event will benefit your community in the future? For example, how will your event encourage a plastic-free legacy?**  
*500 word limit*

**By having a water bar at your event, approximately how many 500ml plastic bottles will be prevented from being used?**

## Event Costs

**If there are any other funders contributing to your event, please list who they are, how they are supporting and how much they are donating:**

**We encourage our applicants to offer match funding in terms of a time contribution. How many hours match funding will you contribute?**

**Have you gained all the relevant permissions required?** *Should your application be successful, we will ask for evidence that all permissions have been granted. Your application will be ineligible if you do not have the relevant permissions in place. Permissions might include a letter of agreement from landowner or planning permission from your local council.*

If no, please detail when you will gain all the relevant permissions.
