## Volunteering "for me"

- \*Gain new and lasting friendships
- \*Gain a sense of purpose and belonging
- \*Give back to my community
- \*Feel-good-factor: "the helper's high"
- \*Get out and about
- \*Learn new skills and flex my existing ones

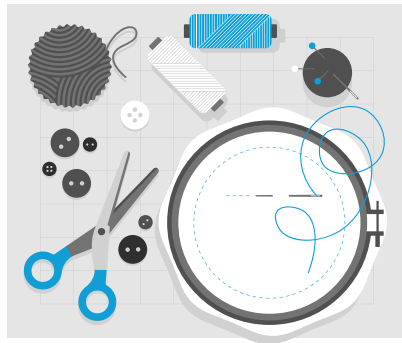

## Volunteering "for my community"

- \*My talents and skills could make a real difference
- \*I could really help someone in need
- \*My community could become more connected
- \*I could help people's health and wellbeing
- \*My personality and humour could make someone smile

# I am a VOLUNTEER - I make a damn difference

I help my local youth club and plan activities

I love problem-solving and organising fundraising events

I love to talk to people; being on reception works for me!
