

Derbyshire Leadership Development Learning Opportunities

Joined Up Care Derbyshire have Leadership Development Learning Opportunities for June, July and August 2024 – it is expected that these opportunities will be popular and there are limited places available for each session. You will have the opportunity to join the waiting list for individual sessions once all places have been booked.

There are 2 different ways to book, either follow the [booking links](#) or use the [QR codes](#).

If you book onto a session, you will receive a meeting request in due course, followed by an updated meeting request with the link to join to the session on MS Teams approximately 1 week before the session date.

If you successfully book onto a session and find you are unable to attend, please cancel your place so that this can be allocated to another colleague from the waiting lists.

Can't make these dates? - Joined Up Care Derbyshire will be offering these sessions again during 2024/2025
