

Dronfield Woodhouse Community Support Hub

**Is it time to think differently about dementia?
Are you or someone you look after living with
dementia?**

We will be having The Rainbow Care Group coming to our hub, they offer specialist services.

Just because someone has a diagnosis of dementia it doesn't mean they should stop living, laughing and having fun.

At The Rainbow Care Group we get to know you as an individual, encouraging anything that brings feelings of happiness and well-being.

We offer

- Full specialist day care provision.
- Exciting and enriching experiences.
- A unique and refreshing approach.
- Promoting dignity in dementia, enabling independence and choice.
