Feedback

The way we monitor and improve the quality of our services is from the feedback we receive from the people who use them, and their family and carers.

DRUG AND ALCOHOL SERVICES

Working together to support
change and recovery from
drug and alcohol use

Derbyshire Healthcare
NHS Foundation Trust

Who are we

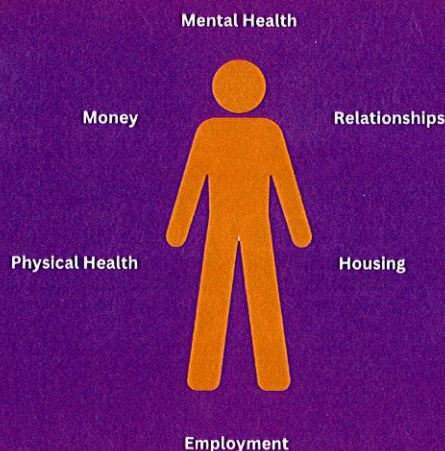

Derbyshire Recovery Partnership (DRP) is a drug and alcohol advice, treatment and support service

We support anyone who:

- Is over the age of 18 years
- Lives in Derbyshire
- Is affected by their own or someone else's drink or drug use

Do I need help?

Drugs and alcohol can have many different challenging effects on a person's wellbeing including:

If you feel your drug and/or alcohol use is having a negative effect on your wellbeing, call our referral line for information and support.

What we offer

Following an initial assessment, we will work with you to develop a personalised plan which will be based on your identified needs and may include:

- 1:1 Keyworker support
- Brief advice
- Group work
- Healthcare interventions
- Specialist counselling
- Complementary therapies
- Detox and rehabilitation access
- Prescribing
- Employment support services
- Accredited courses
- Links to local recovery projects
- Signposting to other support services

This plan will be regularly reviewed with you.

How to refer

Please contact us by phone, email or by visiting our website.

Family and friends

We understand how much another person's substance use can affect those around them. If you are affected by someone else's drinking or drug use you can also receive advice and support. This could include contact with our specialist substance use counsellors.

Needle exchange

Specialist needle exchange is available in all our bases, and from keyworkers when they are at other venues. You do not need to be receiving support from DRP to access this service.
