We have noticed that you haven't signed up yet for our event, **Joining Up for Hospital Discharge** - it would be great if you could join us!

This event is a chance to talk about how we can improve the process of leaving hospital and making sure everyone gets the care they need.

Whether you work in healthcare, care about your community, or just want to learn more, this event is for you. Your ideas and questions are important, and we'd love to hear from you.

We hope to see you there! [Book your place now.](#)
