New Snap and Chat walk coming to Clay Cross!

Within the local community of Clay Cross we have shaped a new walk focused around mental health, and using photography as a way to engage people who may not access your typical walk.

Working with Mindscapes, a local non-for profit group, we have created a low level walk suitable for everyone. Our 'Snap & Chat Walk' encourages people to leave behind your stereotypical walk and allow yourself to become immersed in your surroundings. Appreciating the green spaces around you, and also learning about the heritage of Clay Cross through its mining and rural history.

This walk offers not only physical exercise, but social interaction and support all under one roof, creating a safe space for all to snap and chat together.

The walk takes place on Saturdays (fortnightly) meeting at 10am at Clay Cross Tesco Foyer S45 9NU.

Please contact Tim on mindscapes.photography@hotmail.com for more details.

Eckington Active celebrates 50 years!

Eckington Active is celebrating it's 50th birthday since opening its doors back in October 1974.

To celebrate, our staff will be wearing special 50th year commemorative T-Shirts, our cafe will be stocked with unique 50th year decorated sweet treats for you to purchase after your session and there will be a photo display covering the changes over the years at Eckington Active.

Why not get the kids involved in the fun and bring them along to our Mega Disco live aqua fun party sessions taking place on Monday 28th and Wednesday 30th October.
