

Could you be a Public Governor?

A PUBLIC GOVERNOR

Derbyshire Healthcare
NHS Foundation Trust

Would you like to volunteer to become involved in developing and improving NHS services?

As a governor you will:

- Represent the interests and views of local members
- Attend the Council of Governors meetings (all meetings are held during the day, usually on a Tuesday)
- Hold non-executive directors to account for the Trust's performance
- Act as an ambassador for the Trust.

We are looking for members of the public to stand in our governor elections for:

- Amber Valley (one vacancy)
- Bolsover and North East Derbyshire (two vacancies)
- Chesterfield (one vacancy)
- Derby City East (one vacancy)
- Derby City West (one vacancy)
- Erewash (two vacancies)
- South Derbyshire (one vacancy).

We are keen for nominations to represent the diversity of our communities.

"I want to encourage local people to stand in the public governor elections. It is really important that members of our local communities are represented on the Council of Governors so that they can ensure the Trust is listening and responding to issues raised by them."

Sellina Ullah, Trust Chair
