---

[Pathways of Chesterfield](#) are excited to invite you to the first ever Pathways of Chesterfield Art Exhibition and Silent Auction.

The art was created in our social groups by the people who access our service.

The groups are a huge asset to Pathways, attendees have built a supportive community and people often refer to it being like a family. It is a pleasure to see people grow in confidence and push themselves out of their comfort zones and support each other.

So often in this line of work people are asked what their needs are and what will help them, which is important, but when these are often the main or only questions asked of you, it can impact your self-esteem.

The Pathways Art Exhibition and Silent Auction wants to showcase the amazing talent and creativity these individuals have, rather than seeing what support needs they have. We want you to see what brilliant skills these Artist have to offer.

The event will be an exhibition of art work created in the activity groups, both individual pieces and group pieces, many of these will be available in the auction. All proceeds from the auction will be put back into the charity so we can continue to support more people.

At the event there will be canapes and mocktails designed by our groups and the chance to hear about individual's journeys. Many of our artists will be at the event to tell you a bit about themselves and their work.
