

# Multiply your Online Safety

Workpays, in partnership with Derbyshire County Council, are providing free sessions based around the importance of being safe online or enhancing basic digital knowledge.

All our sessions are bespoke to the needs of each group,  
but we can cover:

- How to stay safe from scammers
- Online banking and online transactions advice
- Common characteristics of scams
- How to report a scam
- What to do if you do get caught by a scam

If you would like to find out about joining or even  
hosting a local session, please get in touch.
