### **Facing the Future Together: Introducing DVA's Fundraising Masterclass**

With the recent cuts to discretionary funding announced by Derbyshire County Council, charities, community groups, and voluntary organizations across Derbyshire face an unprecedented challenge. At Derbyshire Voluntary Action, we've heard the concerns of our members loud and clear. The question is: how do we keep delivering vital services with reduced financial support?

In direct response to the needs of our members, we are thrilled to launch our Fundraising Masterclass Training & Tea series, kicking off in January 2025. This series is designed to equip VCSE groups with the tools and confidence to unlock new funding opportunities, align their missions with funder priorities, and craft standout applications that make an impact. Join us online for a bitesize training session that will set you up for the year!
