

## **Community Climate Change Action Event**

### **Fast Followers Community Group Event - Friday 7th February - Climate Officers**

Derbyshire and Nottinghamshire County Councils, and Derby and Nottingham City Councils, are hosting an Innovate UK funded event on Friday 7th February 2025 in Derby (10am – 3pm) focused on community climate change action.

The free-to-attend event will be open to all community groups and other interested parties across the region and will focus on building knowledge, understanding and capacity across communities and community groups to tackle climate change and the wider sustainability agenda.

The event will consist of several key speaker presentations and six world café style table discussions with experts and case studies on specific topics such as:

- Community Funding.
- Decarbonising local community buildings and residential homes.
- Creating feasibilities, funding bids, etc.
- Engaging residents, business, etc in community groups around the climate agenda.
- Building, scaling and resourcing community group capacity.
- Developing and supporting local sustainable transport and mobility.

A vegan lunch, and all-day refreshments will be available & invites will be sent out (through Ticket Tailor) to all Community Groups across the D2N2 region in early January.
