

## **The Voluntary Sector Awards 2025**

### **It's coming soon!**

There will be some changes this year as we look to make the Voluntary Sector Awards bigger and better than ever!

We're having a revamp because:

- We'd like to make it earlier in the year
- We'd like more nominations from organisations
- We'd like to make it a better experience for our Sponsors
- We'd like to leave you all wanting more

Thankyou for the nominations we've recieved so far, it's great to see people getting into the spirit of things.

If you would like the new form simply email –

Keep your eyes peeled on our newsletters for more information, like when and where it takes place (Still trying to sort this one out).

The one thing we haven't decided on yet is a theme. Our personal favourites have been 'Woodstock' and 'Chicago' when you really let your imaginations run wild!

**If anyone has an idea for a theme please let us know and if we choose your theme you'll get 4 free tickets!**

## **Children & Young People's Project Worker**

**12 hours per week**

**(£24,336 FTE)**

**£7,788 per annum for 12 hours (£12.48 per hour)**

Sight Support Derbyshire is looking for a Children & Young People's Project Worker to be part of a dedicated team supporting the delivery of high-quality services to blind and partially sighted people in Derbyshire.

Part of the operational team based in Derby and reporting to the Project Services Manager, you will work across the City and County to deliver a calendar of activities to children and young people, their families and carers. You will need to be an enthusiastic 'self-starter' and able to work on your own initiative to ensure that the service runs smoothly and delivers the required outcomes.

This is an exciting opportunity to build on existing services and to develop new ideas with the children, young people, and families we work with.

It is essential for this post that you have experience of working with children & young people. You will also need to be able and willing to travel around the county. The hours can be worked flexibly, but do include one early evening session each week, and occasional full days during school holiday times.

At a time of big changes in both voluntary and statutory services we need people who can be flexible, adapt to change and bring a positive attitude to their work.

We can offer you a challenging and rewarding environment, a competitive salary, pension, and good holidays. This post is subject to an Enhanced Disclosure and Barring Service check.

For an informal discussion call Rachel Graham, Operational Services Manager, on 01332 292262
