

Introducing our new **Quality Conversations E-learning!**

- This interactive e-learning will teach you enhanced communication skills to help you play a part in reducing health inequalities, whatever your role.
- This course is essential and available to anyone working in the health, social care and community voluntary and social enterprise sector in Derby and Derbyshire.
- It is suitable for anyone, in any role.

The E-learning is three 20 minute modules.

Watch our [brand new video](#) here which explains more about the training.

And [book on to the training here!](#)

Best Wishes,

Laura Walton-Taylor (she/her)

Project Lead- Quality Conversations (3 days)

Health Literacy Officer (2 days)
