The Autism Information and Advice Service

Supporting autistic communities across Derby and Derbyshire

Who are we?

The Autism Information and Advice Service is commissioned by Derby City Council and Derbyshire County Council to provide support for autistic individuals, their families and professionals across Derby city and Derbyshire county.

The service provides free information and guidance (IAG) over the phone, via email and face to face at our drop-in events across various locations across Derby city and districts across Derbyshire county.

How can we help?

Get in touch to book an appointment with one of our advisors who can signpost you to resources and services that can support you with a wide range of issues relating to Autism such as diagnosis, education, employment, mental health and wellbeing etc.

As we are a part of Citizens Advice Mid Mercia (Camm) we can also refer you to our internal services covering benefits, debt, housing and generalist advice.
