

## **Consultation of the Strategic direction of travel for Mental Health in Derbyshire**

Dear Colleague,

This is your opportunity to give us your views on the strategic direction of travel for Mental Health in Derbyshire!

Derbyshire County Council (DCC) and Derbyshire Clinical Commissioning Groups (CCGs) have worked together on a direction of travel for the Joint Vision and Strategic Direction for Mental Health in Derbyshire. Your input into creating a final strategy is vital in ensuring we have a vision for Derbyshire that all of our key stakeholders and partners have had the opportunity to engage on.

We would be grateful if you could cascade this to relevant staff / members within your organisation as we would like to get as much feedback as possible. Once we have gathered all of the feedback this will be used to inform the final version of the strategy.

Thank you for your help.

**\*\*The closing date for sending feedback is November 12th 2014 as detailed on the attached feedback pro-forma.**

Kind regards

Sue Whetton
